

Action Plan for Key Stage 1 SATs

Class..... Subject: Writing

Concern	Action	Children Involved
<b>Children achieving level 1 or 2C:</b>		
Learn more about how to structure writing so the can organise and sustain what they write.		
Improve spelling through more work on discriminating phonemes within words and by developing the way words are structured.		
Begin to vary how to organise information in a sentence through changes in word order and use of connectives.		
Make their meaning more precise, particularly by using adjectives and adverbs.		
<b>Children achieving 2B :</b>		
Be introduced to different effects that cab be achieved by subordination in sentences as well as co-ordination		
Focus on writing grammatically correct sentences which are correctly punctuated		
Distinguish the different ways to write words with long vowel sounds, and understand the convention for doubling consonants in polysyllabic words.		
Use a wider range of verbs to add interest and precision to their writing
