

NC Subject: PE	Yrs: 3 + 4	General aims: to participate enthusiastically in a dance / movement situation.
Topic: DANCE - SPACE	Weeks: 5	

Weeks	Activity	Resources	Learning Objectives
1 : FREE MOVEMENT SESSION	Use piece of music - children to move to it as they wish. Encourage exploration of different shapes, heights, etc.		- to move imaginatively to a piece of music.
2 : SPACE SHIP	Small groups - children move together to make parts of a space craft. Move in circle to 'take off'. Demonstrate to rest of class.		- to work co-operatively in a small group.
3 : ALIENS	Aliens have landed - what are their feelings? How do they react? Move with and without music.		- to express feelings of excitement, curiosity, etc, through movement.
4 : HUMAN REACTION	Explore feelings of humans on invasion - fear, panic, etc. With and without music.		- to express feelings of fear, panic, etc. through movement.
5 : CREATE SEQUENCE	Sequence of i) Space craft forming and landing. ii) Aliens exploring. iii) Aliens dying.		- to devise a short sequence of movements to 'tell a story'.
